- >DE< Dachziegelreihe wieder eindecken.
- >GB< Replace the row of roof tiles.
- >FR< Reposez la rangée de tuiles.
- >BE< Leg de rij dakpannen terug op hun plaats.
- >IT< Riapplicare la fila di tegole.
- >ES< Volver a colocar las líneas de tejas.
- >PT< Cobrir novamente a fila de telhas.

- >DE< Die Aufdachhaken dürfen weder auf den darunterliegenden Dachziegel drücken, noch den darüber liegenden Dachziegel anheben.
- >GB< The mounting brackets may neither press on the roof tiles below, nor raise the roof tiles above.
- >FR< Les crochets ne doivent pas faire pression sur les tuiles situées au-dessous, ni soulever les tuiles du dessus.
- >BE< De opdakhaken mogen niet op de eronder liggende dakpannen drukken. Ze mogen de erboven liggende dakpannen ook niet optillen.
- >IT< I ganci da tetto non devono esercitare pressione sulle tegole sottostanti né sollevare quelle situate sopra.
- >ES< Los ganchos de tejado no deben ejercer presión sobre las tejas que queden debajo ni elevar las que queden encima.
- >PT< Os ganchos para telhado não devem fazer pressão sobre as telhas colocadas por baixo deles, nem elevar as telhas colocadas por cima.
