

StealthMounts

Level Mounts

2 Pack

Compatible with all levels with a maximum height of 62mm and a maximum depth of 32mm

StealthMounts Level Mounts are universal holders that will fit 90% of levels on the market (maximum height of 62mm (2 7/16) and a maximum depth of 32mm (1 1/4)). StealthMounts Universal Level Holders are compatible with many top brand levels including: Stabila, Empire, SOLA, Milwaukee, Stanley, Stanley FatMax, DeWalt, Irwin plus many more. This allows you to keep your levels organised and easily accessible within your workshop. The universal Level Mounts can be mounted to any surface with screws without allowing excessive level movement. Each pack contains 2 sets of Universal Level Mounts. StealthMounts Level Mounts can be held vertically or horizontally. Made in Great Britain our Level Mounts are made with extremely durable injection moulded ABS plastic with countersunk screw holes to allow for firm mounting.

- Mounts many levels currently on the market
- Securely clips levels in and out
- Keep your expensive precision engineered levels protected and up and out of the way
- Made in Great Britain
- Made using strong injection moulded ABS plastic
- Easy to use with one handed removal
