StealthMounts

## Level Mounts XL

2 Pack

Compatible with all levels with a maximum height of 75mm and a maximum depth of 32mm.

**StealthMounts**

**StealthMounts Level Mounts XL are universal holders that will fit larger levels including Dewalt Box Beam levels. Level Mounts XL will fit levels with a maximum 75mm (2.95inches) and a maximum depth of 38mm (1.5 inches). This allows you to keep your levels organised and easily accessible within your workshop. The universal Level Mounts XL can be mounted to any surface with screws without allowing excessive level movement. Each pack contains 2 sets of Universal Level Mounts XL. StealthMounts Level Mounts XL can be held vertically or horizontally. Made in Great Britain our Level Mounts XL are made with extremely durable injection moulded ABS plastic with countersunk screw holes to allow for firm mounting.**

- Mounts many levels currently on the market
- Securely clips levels in and out
- Keep your expensive precision engineered levels protected and up and out of the way
- Made in Great Britain
- Made using strong injection moulded ABS plastic
- Easy to use with one handed removal
