### Notes:

Electricity meters are not included in the scope of the Low Voltage Directive. Safety of products included in this Declaration was evaluated according to the Standard EN61010-1: 2010 (Safety requirements for electrical equipment for measurement, control and laboratory use). This Manufacturer's Declaration of Conformity is only valid under the condition that:  
- the above-mentioned products are protected against accidental touch and are installed as prescribed in the installation documentation.  
- we are correctly informed about RoHS compliance of all components and raw material by the relevant suppliers.
