Diagram 13 illustrates the connection of the power cord. The main illustration shows the back of the unit with a power cord being plugged into a wall outlet. A circular inset shows a person disposing of a box, indicating that the box should be discarded after installation.

Diagram 14 contains two panels. The top panel features a warning triangle with an exclamation mark, a sad face, and a leaking ERARD unit, indicating a water leak. The bottom panel shows a faucet with a single drop of water, a happy face, and a properly sealed ERARD unit, indicating that the unit is correctly installed and preventing leaks.
