ACCESSOIRES ESSENTIELS POUR MATÉRIEL AUDIO-VIDÉO

NEXTIA D-2

Réf. 011105 - EAN : 3185280111053

Double-Arm articulating Desk Mount for two computer screens
(two dual-segment arms)

Adapted for different configurations (Home office, Businesses...):

- A secure clamp mechanism ensures a firm hold on the desk or work surface, for high stability of the whole unit.
- The monitor height is adjustable (by over 40 cms) and features both +/-15° monitor tilt and 360° swivel capacity, allowing greater versatility for daily use.
- Great flexibility in the articulations for easier handling and user satisfaction.
