

## Socket Polarity Tester

## IMPORTANT NOTES & WARNINGS:

- •The unit is only intended to be used for short periods,typically less than 5 minutes,and must not be left
- plugged in for extended periods.

   Vent slots should
- not be covered or obstructed.
- The unit is intended for use in the vertical
- orientation only.

  The unit must always be checked
- for any sign of damage do not use.
  Visual signs of damage include checking the case.exterior,pins
- If any are damaged DO NOT USE.

- To verify the tester is working correctly.

  always first plug it into a known good socket prior to use.

  If the unit has suffered a mechanical shock such as
  - a drop,have it checked out first.
     The product has no user serviceable parts.
- The product is designed to comply with BS EN 61010 and is rated to IP30.
  The product will not detect
- reverse earth neutral.

  The Socket Polarity Tester is intended as a first level fault indication tool and only checks
- for correct polarity.

  If RED RED is indicated by the LED's,unplug the unit immediately and check the installation wiring.

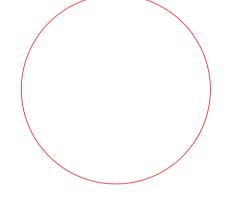

The Socket Polarity Tester is designde to test sockets in one easy step. The test procedure is very simple. Plug the unit into a mains socket and the Socket Polarity Tester will light up GREEN, GREEN, OFF to indicate correct wiring.

Any other combination indicates a fault.Please refer to the table opposite for a list of fault indications.

## FAULT COMBINATIONS CHART

Plug Pins			Status	Status Display Result		
N	E	L		LED1	LED2	LED3
N	E	L	Correct	GREEN	GREEN	OFF
E	N	L	E/N Swap	GREEN	GREEN	OFF
X	E	L	Missing N	OFF	GREEN	OFF
X	L	E	Missing N	OFF	GREEN	OFF
X	N	L	Missing N	OFF	GREEN	OFF
X	L	N	Missing N	OFF	GREEN	OFF
N	X	L	Missing Earth	GREEN	OFF	OFF
L	X	N	Missing Earth	GREEN	OFF	OFF
E	X	L	Missing Earth	GREEN	OFF	OFF
L	X	E	Missing Earth	GREEN	OFF	OFF
E	L	X	L Fault	GREEN	GREEN	RED
L	E	X	L Fault	GREEN	GREEN	RED
N	L	X	L Fault	GREEN	GREEN	RED
L	N	X	L Fault	GREEN	GREEN	RED
N	L	E	LE Reverse	OFF	GREEN	RED
E	L	N	LE Reverse	OFF	GREEN	RED
L	E	N	LE Reverse	GREEN	OFF	RED
L	N	E	LE Reverse	GREEN	OFF	RED
