## Technical Data Sheet

---

Product name:	NSR Wet	Creation date:	01/02/2017	Version:	1
				Replaces:	0

---

### 1: General description

NSR Wet is a specialist mould release agent based on an active material that has been formulated to provide improved release characteristics (compared to conventional non-silicone release agents) on a wide range of thermoplastic and thermoset materials, whilst still allowing post moulding operations to be carried out.

### 2: Features

- Releases as effectively as traditional silicone based release agents.
- Non oily film reduces the need to clean.
- No build up in the mould.
- Will not affect post moulding operations.
- Has a 360° valve to enable upside down use of the aerosol.
- The active material in NSR WET will allow post-process treatment (e.g. painting, plating, bonding and thermowelding) of the moulded part.

### 3: Applications

- Effective on a wide variety of materials including ABS, Polyethylene, Polypropylene, PVC, Polyamides and Polyurethanes.

### 4: Directions

- Spray a light, even coating from 25 - 30 cm and re-apply as necessary.
- A safety data sheet (SDS) according to EC Regulation N° 1907/2006 Art.31 and amendments is available for all CRC products.

### 5: Typical product data (without propellant)

- |                           |   |   |
|---------------------------|---|---|
| • Appearance              | : | Clear liquid                                |
| • Odour                   | : | hydrocarbon                                 |
| • Specific gravity @ 25°C | : | 0,7   |
| • Temperature range       | : | Operational up to 150°C (mould temperature) |
| • Solubility              | : | Soluble in solvents, insoluble in water     |

## 6: Packaging

Aerosol

12x500 ML

All statements in this publication are based on service experience and/or laboratory testing. Because of the wide variety of equipment and conditions and the unpredictable human factors involved, we recommend that our products be tested on-the-job prior to use. All information is given in good faith but without warranty neither expressed nor implied.
