

**DUST CLEAN PB****1. GENERAL DESCRIPTION**

---

Dust Clean PB is an efficient compressed gas cleaner with a comfortable spray button. The high spray pressure ensures that dust and dirt are effectively blown out of office equipment and computers. The compressed liquefied gas in the spray can leaves no residue. The product comes with a user-friendly comfortable spray head and attachable extension tube for precise cleaning.

**2. FEATURES**

---

- LPG-based compressed gas cleaner with high productivity
- High-purity compressed gas, leaves no residue
- Compatible with all common materials in electronics
- Powerful spray jet for effectively blowing out dust and dirt
- Comfortable spray head with a wide pressure area
- Push-on extension tube for precise cleaning

**3. APPLICATIONS**

---

- Office equipment
- Computers and keyboards
- Printers and copiers
- Projectors and cameras
- Telephones

**4. DIRECTIONS**

---

- Contains highly flammable liquid gas.
- Only use in a well ventilated area and do not spray onto energized equipment.
- Do not shake. Spray in upright position.
- For best results, use the “quick shot” method aiming at the contamination to remove. After multiple applications, allow some time for the internal pressure to restore.
- Use extension tube for precision applications and hard-to-reach areas.

***A safety data sheet (MSDS) according to EC Regulation N° 1907/2006 Art.31 and amendments is available for all products.***
