

M12035

1.2 m stackable mast Ø 35 mm**DESCRIPTION**

Galvanized stackable mast, 1.2 m x 35 mm x 1.5 mm, offering strength and lightness (6 kg). Designed for quick assembly and optimized transport, it ensures excellent corrosion resistance and reliable stability, ideal for technical installations and cable TV distribution in industrial environments.

**ADVANTAGES**

- Galvanized telescopic mast ensuring corrosion resistance
- Quick assembly thanks to the telescopic system
- Reliable stability for technical and cable TV installations
- Optimized transport and storage on Euro pallet
