

SK450MFK

SK series Schill reel**DESCRIPTION**

The SCHILL SK450MFK reel combines durability and practicality with its rigid black rubber structure, designed for intensive professional use. Its lockable hatch protects the cable end during transport, ideal for fiber optic cables. The stackable metal chassis simplifies storage and transport.

**ADVANTAGES**

- Professional reel with rigid black rubber
- Lockable storage hatch
- Reel highly protected by its metal cage
- Large capacity: up to 270 m of 7 mm Ø cable
- Storage facilitated by stackable metal cage
