With a cool and industrial design, the Darci series by Bjørn + Balle is both a highly functional and aesthetic addition to your home. Perfect as a bedside lamp, over the kitchen counter or any other place in your home that needs a stylish and functional light. The beautifully curved lamp head is easily adjusted whether you need it for reading, working or just adding the right ambience to the room. High quality materials with a satin soft, matt surface radiate a modern and streamlined look. A gentle tab on the touch switch turns the lamp on and off.
