

### CE Declaration of Conformity

| Product Range | Description                                   |
|---------------|-----------------------------------------------|
| X195 Range    | Industrial Xenon Beacon,<br>Multiple Voltages |

This declaration of conformity is issued under the sole responsibility of **Moflash Signalling Limited**.

| Applicable Standards      | Title                                                                                                                                                                                  |
|---------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| EN IEC 61000-6-1: 2019    | Electromagnetic compatibility (EMC). Generic standards. Immunity standard for residential, commercial and light-industrial environments.                                               |
| EN IEC 61000-6-2: 2019    | Electromagnetic compatibility (EMC). Generic standards. Immunity standard for industrial environments.                                                                                 |
| EN IEC 61000-6-3: 2021    | Electromagnetic compatibility (EMC). Generic standards. Emission standard for equipment in residential environments.                                                                   |
| EN IEC 61000-6-4: 2019    | Electromagnetic compatibility (EMC). Generic standards. Emission standard for industrial environments.                                                                                 |
| EN 50130-4:2011 + A1:2014 | Alarm systems. Electromagnetic compatibility. Product family standard: Immunity requirements for components of fire, intruder, hold up, CCTV, access control and social alarm systems. |
| EN 61010-1:2010 + A1:2019 | Safety requirements for electrical equipment for measurement, control, and laboratory use. General requirements.                                                                       |
| EN IEC 60947-1:2021       | Low-voltage switchgear and controlgear. General rules.                                                                                                                                 |
| EN 60947-5-1:2017         | Low-voltage switchgear and controlgear. Control circuit devices and switching elements. Electromechanical control circuit devices.                                                     |
| EN IEC 63000:2018         | Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances.                                              |
| EN 60529:1992 + A2:2013   | Degrees of protection provided by enclosures (IP Code).                                                                                                                                |

Following the provisions of the below Directives.

| European Directives      | Title                                                             |
|--------------------------|-------------------------------------------------------------------|
| 2014/30/EU               | The Electromagnetic Compatibility Regulations (EMC)               |
| 2014/35/EU               | The Electrical Equipment (Safety) Regulations (LVD)               |
| 2011/65/EU & 2015/863/EU | The Restriction of the Use of Certain Hazardous Substances (RoHS) |
| 2012/19/EU               | The Waste Electrical and Electronic Equipment Regulations (WEEE)  |
| 1907/2006                | The REACH etc. (Amendment etc.) (EU Exit) Regulations             |

The products are, however, supplied on the Company's Terms and Conditions of Sale, and the limitations on liability provided for therein will apply notwithstanding this Certificate.

Authorised Representative: Authorised Representation Service, 77 Camden Street Lower, Dublin D02 XE80 Ireland.
