

DECLARATION OF COMPATIBILITY

between Ecolab hygiene products and
Telemecanique Sensors series products.

For a thorough cleaning of your detection equipment

**Sensors suitable for hygiene
solutions used on
Food and Beverage processing
industries:**

Miniature safety RFID switches

The declaration concerns tests
relating to sealing and electrical
operation, both before and after the
use of the ECOLAB cleaning products
stated, and therefore proves the high
resistance of these sensors to
detergent products.
