

Electrical features			
Maximum operating current ($\leq 440V$)	A		10
Components			
Starter enclosure standard supplied			M0PA
Contactor standard supplied			BG0910A
Thermal relay to purchase separately			RF9...
UL technical data			
UL degree of protection			Type 1, 12K, 4, 4X
Mechanical features			
Weight	g		667
Ambient conditions			
Operating temperature	min	°C	-25
	max	°C	+60
Storage temperature	min	°C	-40
	max	°C	+70
Resistance & Protection			
IEC degree of protection			IP65
ETIM classification			
ETIM 8.0			EC001037 - Motor starter/Motor starter combination
