

Electrical features

Maximum operating current ($\leq 440V$) A 18

Components

Starter enclosure standard supplied M1PA

Contactors standard supplied BF1810A

Thermal relay to purchase separately RF38...

UL technical data

UL degree of protection Type 1, 12K, 4, 4X

Mechanical features

Weight g 910

Ambient conditions

Operating temperature

min	°C	-25
max	°C	+60

Storage temperature

min	°C	-40
max	°C	+70

Resistance & Protection

IEC degree of protection IP65

ETIM classification

ETIM 8.0

EC001037 -
Motor
starter/Motor
