## SPECIFICATIONS

### [1. General Specifications]

|                       |                                                                                        |
|-----------------------|----------------------------------------------------------------------------------------|
| Model                 | SZW-303                                                                                |
| Compatible models     | CLA□-02JSN-□                                                                           |
| Mounting Location     | Indoor                                                                                 |
| Mass (Tolerance ±10%) | 0.016kg (0.008kg×2)                                                                    |
| Quantity              | 2                                                                                      |
| Remarks               | No restricted substances exceeding the thresholds of the RoHS Directive are contained. |

### [2. Outer Dimension]

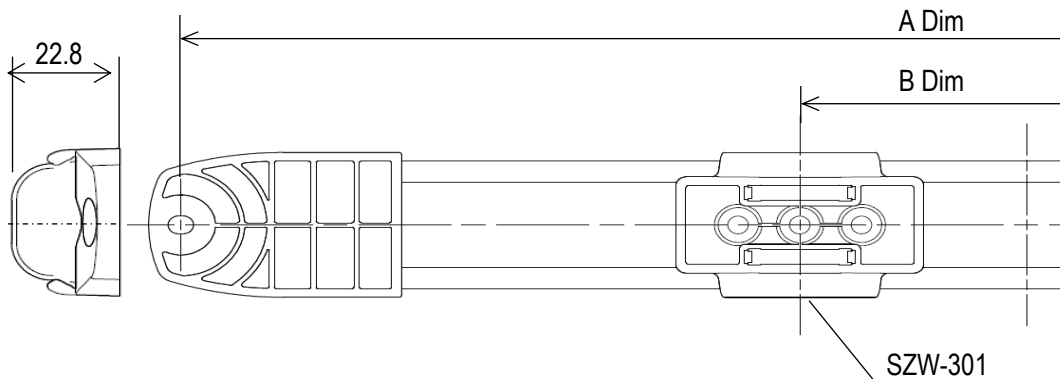

(Unit : mm)

| No. | Name    | Material | Quantity |
|-----|---------|----------|----------|
| 1   | Bracket | PC       | 2        |

### [3. Mounting Dimensional Drawing]

(Unit : mm)

| Model       | A Dim          | B Dim | Number of Brackets used |
|-------------|----------------|-------|-------------------------|
|             | Mounting Pitch |       |                         |
| CLA1-02□N-C | 167            | -     | 2                       |
| CLA2-02□N-C | 267            | -     |                         |
| CLA3-02□N-□ | 367            | -     |                         |
| CLA6-02□N-□ | 667            | -     |                         |
| CLA9-02□N-C | 967            | 290   | 4*                      |

| Screw / Nut | Recommended Torque |
|-------------|--------------------|
| M4          | 0.7 N·m            |

\*For CLA9-02JSN-C place orientate the two brackets(SZW-301) included with the product(CLA).  
(SZW-303: 2 pieces, SZW-301: 2 pieces, total 4 pieces)
